In connection with **World Poetry Day**,
the Postgraduate Department of English
in association with IQAC is publishing
an anthology of poems

Mystic Blues

Before the waves recede...

“Because there is nothing more beautiful than the way the ocean refuses to stop kissing the shoreline, no matter how many times it’s sent away” (Sarah Kay). Waves can be tumultuous or tranquil. When tumultuous, they can engulf the whole of earth with a fury, words cannot capture. But in their more serene moments, they can have the disposition of a monk, billowing out to the shore with perfect calmness. After every wave recedes, there is a shallow wake that follows. Every wave is an unfurling story, a hushed answer to a mysterious question, and a trigger to multifarious thoughts. The human mind expands to the fluid proportions of the sea as thoughts become sinuous, sometimes caressing us, sometimes crashing over us, or plunging us deep into the mystic blues of memories and emotions. Before the waves recede, the sea has its poetry to narrate to the shore as time stands still, unfolding in us varied thoughts.

CONTENTS

Sl. No.	Name of the Poem	Name of the Author	Page No.
